

Fraunhofer Institute for Wood Research

Wilhelm-Klauditz-Institut WKI Bienroder Weg 54E, 38108 Braunschweig, Germany

Attestation of conformity of the factory production control 765-CPR-470

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), it has been stated that the construction product

PLYWOOD

plywood, birch, phenol - formaldehyde (PF), unfaced technical class: EN 636-2 S placed on the market by

Closed Joint-stock company "Plyterra" Leninskaya str. 1 431105 Umet, Zubovo-Polyansky region Russia

and produced in the factory

Closed Joint-stock company "Plyterra" Leninskaya str. 1 431105 Umet, Zubovo-Polyansky region Russia

is submitted by the manufacturer to a factory production control and that the notified body No. 0765 - Fraunhofer-Institut für Holzforschung, Wilhelm-Klauditz-Institut WKI - performed the continuous surveillance, assessment and approval of the factory production control in second half-year 2017.

This attestation confirms that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 13986:2004+A1:2015

were applied.

This attestation is part of the evaluation report and confirms the CE certificate with No. 765-CPR-470 in System 2+ as long as the conditions laid down in the harmonised technical specification, the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
