

LUXEPANELS™

Premier Range

Discover the Future of Interior Surfaces with LuxePanels™ Premier Range

Developed with contemporary interior spaces in mind and utilising premium materials, LuxePanels™ are engineered to endure the test of time.

Striking the perfect balance between aesthetic appeal, functionality, and lasting durability is paramount in design. Perfect for kitchens, cabinetry, wardrobes, caravans/RV's and commercial spaces.

Benefits of LuxePanels™

- Experience the latest in fingerprint-resistant, supermatt surfaces, crafted for unparalleled durability.
- Enjoy a luxurious, soft-touch finish that's both easy to clean and maintain, ensuring your spaces stay pristine.
- Built to last, our surfaces are highly scratch-resistant, offering both beauty and resilience.
- Choose from 10 modern, solid color decors that elevate any interior, blending style with functionality.
- Every colour available with precisely matched edging for a seamless look.
- All sheets are protected with a clear film, to prevent scratches in transit & manufacturing. To be removed onsite once installed.
- Easy to fabricate and install, perfect for a wide range of interior projects.
- Proudly made in Australia, embodying quality and craftsmanship
