

EUROPEAN OAK

DESCRIPTION

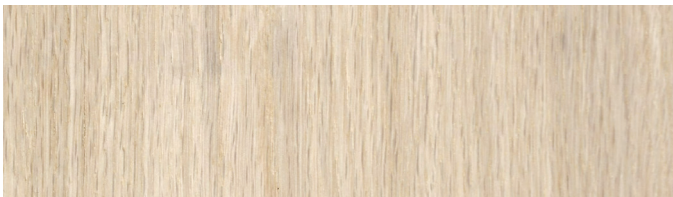

As part of Big River Group's premium, durable, stable flooring solutions, European Oak is a classic timber species offering character and individual richness to complement a range of contemporary finishes. Through a diverse colour palette European Oak highlights and embraces the natural characteristics of solid timber for a truly unique finish.

SIZES

3/4"×190×1,900 (raw 4/4")

WARRANTY

20 year residential warranty

In addition to the standard product specifications Big River Group is able to customise variations for projects including a grade AB offering, wider planks (220mm, 240mm, 260mm) with varying thickness including 15mm, 19mm and 22mm and a thicker European Oak lamella of 4 or 6 mm. Specific colour matching can also be achieved.

Suitable lead time is required to undertake the process.

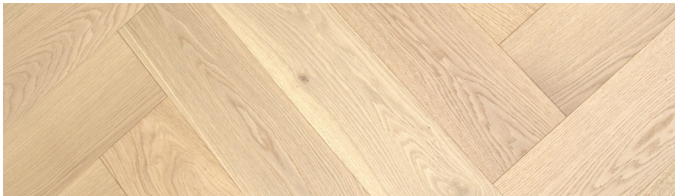

PARQUETRY HERRINGBONE

DESCRIPTION

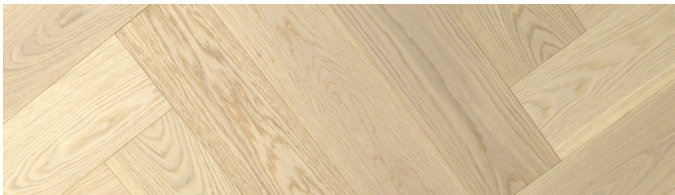

Big River's European Parquetry Herringbone Oak provides timeless sophistication to both classic and contemporary design. Crafted from high-quality hardwoods its elegance and versatility make it a popular flooring choice for both residential and commercial applications.
